

# DAILY COMMUNITY COUNCIL

## Minutes of the Meeting held on Wednesday 02 October 2019 at 7pm, at Daily Community Centre

Present: John Whiteford, Fiona de Faye, Phil Waddingham, Ronnie Turnbull,  
Stuart Nelson, Jenny Fergusson, Hilary Denholm, Helena Menhinick

Attending: Cllr Ian Fitzsimmons  
Louise Murdoch  
Clare Graham – Foundation Scotland  
PC Graeme Gordon - Police

### 1. Police Report

PC GG advised that there were 12 incidents between 04 Sep and 02 Oct:

Noise Complaints 2	Assist member public 2
Domestic Incidents 3	Police information 1
Animals on road 3	Road Traffic 2

No crimes were reported.

PC GG indicated that concerned persons had reported incidents of animals being moved at night. There have been incidents of gates being cut and padlocks being damaged/removed. Please be vigilant regarding any odd behaviour, and report on 101 as appropriate.

Mention was again made of the caravan and ATV at Woodside – should be moved soon.

There has been an increase in phone scams, and especially with Thomas Cook folding.

***Calls to the Police are confidential and can be anonymous.***

**Methods of contacting Police: In an emergency always dial 999      Non-urgent: 101  
AyrshireLPSTGirvanSouthCarrick@scotland.pnn.police.uk      **NEW ADDRESS****

**Social Media, not for reporting crime, not monitored 24/7:**

**www.scotland.police.uk    www.facebook.com/ayrshirepolice    Twitter @AyrshireEPolice**

### 2. Clare Graham – Foundation Scotland/Hadyard Hill CF Review

CG introduced herself and explained the background to the Review and a general discussion took place re the different scenarios – whether to have the fund remain as is with each CCs fund ring-fenced with one Panel comprising 3 representatives from each CC, or whether to have the fund split totally with each CC having their own Panel. The merits of both were discussed with members indicating that if the fund was split it might bring more ownership to that village, however members also thought that there could potentially be difficulties between Panel members and applicants. The position re cross-community funding needed to be explored in more detail. Dailly has spent more than the other two CCs, basically because both the other two villages have access to other Funds. Members also indicated that they would be supportive of an Endowment Fund. After CG had gone through the Review it was agreed that members should have a discussion between themselves and advise her later of the decision.

CG then indicated that as one of the three representatives for Dailly had had to resign (relocation), there was a vacancy, especially for one from the CC. SN kindly agreed to possibly being that representative. He would contact CG for further information.

3. Declaration of Interest  
HM – Carrick Activity Centre.

4. Minutes of the Previous Meeting  
Minutes of 04 September were proposed by S Nelson and seconded by P Waddingham.

5. Matters Arising  
*Great War Project*  
Secretary advised that the Book would be put in the Community Centre Office in a box file, indicating that the Book was to be kept in the box and signed for.

*Timber Extraction – Bargany Estate*  
No comments at this time.

*Roads / Potholes / Gully Pots / 20 mph consultation*  
Nothing yet on 20 mph consultation.

The gully pots have still not been sorted. There was a complaint about the Brush Machine not being used properly – as it is in Girvan – Secretary to talk to ARA.  
ARA had sent in their Winter Service Community Resilience scheme notice. Members would act accordingly as long as the salt boxes were full. There was no comment about an organised resilience group.

Back Road was still atrocious, and RT advised that water was egressing at the steps at Eldinton Terrace – Secretary to check.

**Everyone should make an effort to report on the ARA website when they encounter potholes or other road issues, to: [www.ayrshireroadsalliance.org](http://www.ayrshireroadsalliance.org) phone: 01563 503 160 Or SAC phone: 0300 123 0900 SAC website: [www.south-ayrshire.gov.uk](http://www.south-ayrshire.gov.uk)**

*Dailly Trails / SAPI*

Unfortunately no one was able to attend the meeting in Ballantrae. RT advised that Lindsayston Glen and Quarry Path had both been strimmed and attended to and looked much better, the Fish Bridge Path had also been done but not that well. The planks had not yet been replaced on the Bridge at the Old Castle – Secretary to advise Rachel Shipley/SAC. RT advised that there were issues re markers on Barony Hill. FdF has still not actually received the grant from Paths for All – funds would go to the Dailly Development Account.

*Windfarms – General*

Per headings below, as a reminder:

Linfairn – no new info.

Tralorg – JW attended the AGM – money paid to Girvan is being paid in advance to TQZone.

Lamboughty – no further info.

Kirkhill – planning extension granted to 2022.

Kilgallioch – Dailly can apply for funding via Foundation Scotland, fund is oversubscribed.

Chirmorie – passed for 22T – changes had been requested to SAC, section 36C variation to consent to construct and operate - permitted

Altercannoch – refused on appeal for 8T by reporter.

Millenderdale – has gone to appeal for 5T.

Glenapp and Arecleoch extensions – application for 22T is to join up the two windfarms.

Mark Hill substation extension – does this mean more turbines?

Hadyard Hill – turbine number 44 or 45 has been removed.

Clauchrie – EIA aiming for December, 16T, not affecting Dailly but will affect Barr, is going straight to Scottish Government, not through SAC.

RT indicated that the type of turbine being installed in Scotland had been outlawed in the EU because of the type of ions being emitted. Did anyone have further information?

**If members of the community have any comments regarding proposed windfarms, they should make their views, whether positive or negative, known to the CC as soon as possible, or direct them straight to the planning application.**

#### *Community Centre WiFi*

Cllr IF would check progress with Claire Monaghan/SAC. On a related subject there is a meeting at the School on 9 October, during the day, about community education - (computers /WiFi needed for the community to access education/universal credit).

#### *Space behind School*

Secretary had contacted SAC, however Cllr IF had additional info that the site has now actually been sold, and that SAC would be looking at the wall.

#### *Dr's Brae Handrail*

Handrail still not fixed - Secretary to contact Housing/SAC, again.

#### *Rural Forum*

Nothing to add at present, do not know date of next meeting.

#### *McColls Loading Bay*

PW / McColls still checking ownership of the area.

#### 6. Carrick Activity Centre

HM advised that the Centre had increased prices as at 1 September. Participants were still being encouraged to join the Access to Leisure Scheme operated by SAC, which would give between 15-50% discount. The Centre had a new instructor.

#### 7. Hadyard Hill Community Fund Panel and Small Grant Fund

After receiving CG/Foundation Scotland's information re the HH Review, members decided to further discuss the possibilities. In the end, after a thorough discussion members unanimously decided to split the fund, each village to have their own Panel. As previously mentioned during the Review with CG, there are pros and cons, but it was felt that the village would probably benefit more with having control over their portion of the fund. Secretary to advise CG/FS.

HM left the room for this item. FdF advised that there was one request from Carrick Activity Centre for a piece of equipment – a Ski Erg. The cost was £880 and they were requesting £500, the balance would come from match funding from Grants, additional monies would go towards existing equipment maintenance. Unanimously agreed.

An update on the Christmas Lights Project – 12 new lights would be bought, an outside company would put up and store lights, the fundraiser will be on 19 October.

8. Brunston Castle

An offer had been made and accepted.

9. Invasive Plants/Ayrshire Rivers Trust

PW advised that Bargany had been spraying, rather than the injection method, both sides of the river Girvan at West End. Nothing had yet been done on the Golf Course Road area. PW asked whether an approach could be made to Bargany for PW to inject as much as possible at the Golf Course Road, and also a clump near the football ground – Secretary to make contact. The weather had stopped quite a lot of spraying/injecting. PW reiterated that West End appears to be a dumping ground for vegetation.

10. Locality Planning / Participatory Budgets / H&SCP

There have been clashes of date and neither JW nor Secretary have been able to attend recently. Notes of meetings and other information/flyers will be put on the CCentre notice board and/or McColls board.

11. Councillor's Report

Cllr IF advised that the Local Development Plan 2 was out and should be commented on by 15 November – there was a public exhibition 7 October at Girvan Library. Sacred Heart in Girvan was the next School to be rebuilt. The recycling bins and the way they are being handled, the size and quantity is all being revisited by all three Ayrshires.

12. Any Other Business

*Dalquharran Land* – Members commented that the stone wall is crumbling and stones are falling either into the field or the pavement, and the stock fence has been taken down, and barbed wire has been left in the field. Will see how things progress.

*Poppy Wreath* – RT would purchase the usual Wreath for Remembrance Day.

13. Correspondence

- Planning Applications and Decisions
  - Change of use, alterations and extension to farm building to form dwelling house – Brae Farm Cottage, Old Dailly – insufficient fee
  - Certificate of lawfulness for existing installation and use of 5 boilers and associated flues – Robstone Farm, Dailly – pending consideration
