2. Alec Paton – Dalquharran

AP had asked if he could make a presentation to the CC to avoid any unnecessary rumours. He presented a map showing the arable/farmland which is under his Farm ownership, and the two castles and their policies was under another separate ownership. He did not want to prohibit people making use of the woods and castles, but he did not want people wandering around the arable/farmland – it would be a working environment. He is in discussions with SAC/Rachel Shipley re various issues. The first priority is to thin the wooded areas, clear the invasive species, in particular, rhododendrons, and to clear drains and/or divert water. Many of the existing farm tracks are being repaired and ditches cleared. A section of the oxbows by the river will be drained and filled to create additional fields, but an area of wetland will remain for existing species. He would be taking guidance from SEPA/SAC. He also intends to clear the greenery from the New Castle in particular, to prevent further deterioration. Security is a concern and will be attended to.

3. Declaration of Interest

None.

4. Minutes of the Previous Meeting

Minutes of 29 January 2020 were proposed by F de Faye and seconded by P Waddingham.

Roads / Potholes / Gully Pots / 20 mph consultation

Janice Kelly/ARA had sent an email request for support of a joint funding application to Strategic Timber Transport Scheme re various roads in the area (particularly Aird Bridge to Rowanstone B741 for us). Members unanimously agreed that we should support this – Secretary to send email.

Various complaints about the gully pots around the village not being cleared properly, not being checked that the water actually flows through the drain. Cllr AC to check.

A lot of potholes are developing on all the roads in the area, people are encouraged to report. Everyone should make an effort to report on the ARA website when they encounter potholes or other road issues, to: www.ayrshireroadsalliance.org phone: 01563 503 160 Or SAC phone: 0300 123 0900 SAC website: www.south-ayrshire.gov.uk

Daily Trails

The Wooden Bridge has been fixed. FdF gave an update to Paths for All - due to weather/conditions, nothing has been done. PC indicated that he would be available to look over the river trail where the new gates were to be installed, and will make best efforts to help and assist.

If members of the community have any comments regarding proposed windfarms, they should make their views, whether positive or negative, known to the CC as soon as possible, or direct them straight to the planning application.

Community Centre WiFi

The Employability Skills Drop-in found that the system was not strong enough to use properly – it was understood that a booster was still to be installed.

McColls Loading Bay

PW will continue to monitor.

Galloway and South Ayrshire Biosphere

FdF advised that we were now Proud Supporters of the Biosphere. As Cllr AC indicated there are benefits to being associated with the Biosphere and more should be made of this. Received email from DGA Forestry LLP confirming that Dailly would be consulted re extraction.

7. Hadyard Hill Community Fund Panel/Review and Small Grant Fund

Clare Graham/FS had received 7 responses for Panel members. Secretary, PW and SN (Panel member already) looked over the new Terms of Reference and Memorandum of Understanding relevant to Dailly and its new Panel. Secretary proposed and PW seconded that these could be signed by the Chair on behalf of the Dailly Community. A proposed programme of dates was put forward, and these will be confirmed in due course. The first Panel meeting could be 22 or 24 June. Members of the Panel would be inducted prior to their first meeting.

One application for the Small Grant Fund – Dailly CC Planters – asking for £500 to continue planting up the planters/compost and other related items. Unanimously agreed to support.

8. Locality Planning / Participatory Budgets / H&SCP

Secretary attended the last meeting on 12 February. Various notices and minutes will be on FB and/or the Notice Boards. One important issue was re making better use of Girvan Hospital relating to Dialysis and Chemotherapy – this was a different issue from Ward 15 at Ayr. After discussion it was agreed that a letter should be written to Tom Burns/NHSA&A, and Jeanne Freeman.

9. Councillor's Report

Cllr AC advised that tomorrow, 5 March, SAC would be agreeing the Budget for 2020/21. There would probably be increased charges, but no sweeping cuts. NB made a comment re the online consultation, Secretary also agreed, that the questions were not specific enough.

The Rural Panel will be in Dailly on Monday 20 April – this will be a good opportunity to hear information first-hand on a variety of topics, and to also ask questions of Council representatives and Councillors.
