Dear Sir/Madam,

**20NM37 B741 LINFERN RD/DAILLY-B7023 JCN AT KNOCKROON DAILLY –
CARRIAGEWAY RESURFACING WORKS**

Carriageway resurfacing works have been programmed to be carried out on **B741 Linfern Road/Dailly – B7023 Jcn at Knockroon Dailly (Rowanston to Aird Bridge)** as shown on the attached plan.

Works will commence on **Monday 20th July 2020** and are anticipated to last approximately **6 weeks**. In order to carry out these operations we would ask that the carriageway be kept clear during the working times of 08.00 to 17.00 hours

Protecting the safety and wellbeing of employees and local residents is of the utmost importance; therefore vehicle access to properties within the affected area will be strictly prohibited while surfacing works are in progress however provision will be made to allow access out with the construction phase period whenever possible.

It is hoped that the resurfacing will be completed within the timescale, however I should make it clear that the work is weather dependent and unforeseen difficulties could result in a delay.

Emergency vehicle access will be maintained at all times.

The Ayrshire Roads Alliance apologises for any inconvenience caused during these works.

Yours faithfully

Ayrshire Roads Alliance
