Dailly Trails and Dalquharran

SAC is awaiting quotes for various works relating to sections on the Barony Trail – stiles and boardwalks. They are also awaiting a quote for filling in the ‘lake’ on the Drovers Road between Balcarnie and Whitehill. Still investigating where to install self-closing gates using the Paths for All Grant. Waiting for SAC to advise about strimming/clearing the River path around the Memorial Park.

As previously mentioned, please email daillycc@outlook.com if you want to volunteer for anything to do with the paths, or if you want to report an issue. You can also report issues on Facebook.

Dalquharran still has forestry work being carried out. Weather has slowed any progress.

There has been an article on the SAC website/News section that funding will be available for Dailly and Barr for new paths. Secretary is investigating this with the help of Cllr AC. There has been no consultation yet, will update as soon as more info is available.
