### 3. Hadyard Hill Community Fund Panel and Small Grant Fund

The Panel held their first meeting on 28 Sep – this was an induction for some, as well as approving one application from Dailly Scouts for £5,000 for a programme of outdoor activity days. Next deadline is 31 October with Panel meeting in December – applications at: [www.foundationscotland.org.uk/programmes/hadyard-hill-dailly/](http://www.foundationscotland.org.uk/programmes/hadyard-hill-dailly/).

There were two important questions raised at the Panel meeting – an Endowment Fund (so that we will have some funding available once the existing Fund has finished in 10-years time) and the need to carry out a Community Action Plan (similar to the one done in 2010, so that we establish what the Village wants moving forward and how we should achieve this). A virtual meeting will be held shortly with Foundation Scotland to discuss both these issues. One major change agreed at the Panel meeting was to increase the maximum amount to £10,000.

Small Grants Fund – there have been no applications.

### 4. Treasurer's Report

Nothing new to report. Balance in CC Account as at 07 October - £13,640.69.

Dailly CC Development Account balance remains at £1,501.56.

## 5. Councillors Report

Cllr AC indicated that he would like to try and have a virtual meeting – Secretary to check with members. He is waiting to hear back re the New Paths issue.

Cllr AC forwarded a request to lobby support for investment and improvements of A77, and A75 corridors. Consisting of SAC, D&G, North Antrim Council as well as MPs and MSPs, Ferry Operators, and others – this will be a powerful lobbying group. They need input from CCs, local organisations/associations, as well as individuals. The aim is to bring investment and upgrade to the trunk route infrastructure. Secretary will coordinate with members to produce a supporting letter.

At the last SAC meeting on 01 October, a Climate Change Policy had been approved, which could make a huge difference to the operation of the Council and, for example, planning. There was also discussion about Events such as Remembrance Sunday and Christmas Lights taking place during C-19 - documentation should become available soon. Relating to Christmas Lights, Secretary to get in touch with the Community Association for their input. Secretary to speak with RT regarding a Wreath for Remembrance Sunday.

Cllr AC advised of the passing of Peter Walker of Pinmore & Pinwherry last week. He had been a very active member of the Community and had been Chair of P&P CC for a number of years.

## 6. Any Other Business
